REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-33 are considered allowable since when reading the claims in light of the specification, none of the references of record alone or in combination disclose or suggest the combination of limitations specified in the independent claims. As to claims 1-16, the prior art of record does not teach writing from the host to the SAR to indicate where the host is reading from the host queue. As to claim 17-33, the prior art of record does not teach wherein the host is configured to write to the SAR queue to indicate where the host is reading from a host queue. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
